Talking like this to my grandkids

> He started up in the parking garage, then came down to street level, then went back up into a building, where he was eventually blown up by Robocop. I was in the /pol/ happening threads the entire night. I was also on /pol/ all night during the Boston Bomber capture, the Mandalay Bay shooting, and Trumps victory. That might be the Mount Rushmore of happenings in terms of interesting events to lurk on 4chan.
